

WELCOME TO THE WESTCHESTER MOUNTAIN BIKE ASSOCIATION'S 16TH ANNUAL FAT TIRE FESTIVAL.

We are very fortunate to live in a community with such tremendous recreational opportunities for mountain bikers. Blue Mountain Reservation, Graham Hills, and Sprain Ridge Park are all officially sanctioned mountain bike facilities. With this opportunity comes responsibility. We need to continue to educate all trail users on proper trail etiquette and environmentally sound trail use.

Thanks to all the people who volunteered their time and energy to this Festival and all the other WMBA projects. We would like to thank the Westchester County Department of Parks, Recreation and Conservation for their support.

We are pleased to have the Friends of Westchester Country Parks join us in this celebration. We share a common goal. We strive to promote public involvement and to make a difference in the future of our parks.

A FEW WORDS ABOUT...

GROUP RIDES

Group rides are a great way to explore the trails. We will be offering guided rides for beginner, intermediate, and advanced levels leaving every hour. Make sure your bike is in good working condition and wear your helmet. Rides will last anywhere from 45 minutes to an hour and a half.

FRIENDS OF PARKS

The Friends of Westchester County Parks is a non-profit organization that has worked for 25 years to raise money, buy equipment, fund children's program, provide amnesties, and support the Westchester Parks. Their vision is to keep the parks clean, green and growing. So, this event will raise money to help the Westchester Parks System thrive well into the future.
